Barrel Racing Prayer

**Lord, as we gather today to celebrate the bond between horse and rider,
we ask that you grant us safety now until the last horse crosses the finish line.**

**As we send our horses hard toward the first barrel
help us remember the many people in public service
that work hard each day to make our lives safe.**

**After we turn that first barrel
help us to remember that there is more to life than winning.
As we push towards the second barrel
and make a beautiful turn,
may we think deeply and appreciate the pleasure we get
from the horses that power our way.**

**Lord, as we turn the third barrel towards home,
help us remember the many hours of hard work that go into training
a horse to run the pattern and win.
This is an amazing sport, a sport that makes us laugh and sometimes
cry.**

**A sport of sure determination and often luck.
Help us not to blame our animals for our
lack of preparation and respect them for who they are.
We are all here for one reason so help us celebrate our common love
for barrel racing.**

**Lord, help us remember that even when all goes wrong, you are
always right!**

Keep us safe, God Bless each of us today and

God Bless America.

Amen

3. There is to be only one contesting horse in the arena at a time during the barrel race, without exception.

4. Anytime a contestant crosses the starting line, time begins. When starting/finishing line is crossed the second time, the clock is stopped and the contestant will exit the arena.

5. Contestants will be assessed a 5 second penalty for knocking over a barrel.

6. Contestants may go to the right or left barrel first, but must make 2 left turns and 1 right turn or 2 right turns and 1 left turn.

7. There will be no excessive jockeying of horses or circling after entering the arena. The racer will proceed in a forward motion, turn and go, or the racer will be flagged out. One 360 degree turn is permitted, this applies to Open race only.

Example of a Standard Barrel Pattern

APPROVALS

- 1. Only IEBRA approved barrel races will count for points.
- 2. Approvals will be only within the designated boundaries of the IEBRA.
- 3. For the benefit of all members, it is the President's duty to see that these approvals are spread as evenly as possible through the season.
- 4. IEBRA will host "club" races in which approvals and race particulars are handled by the club members using the duty system outlined in this book. All proceeds and/or expenses will be incurred by the club. IEBRA will also approve races handled by individuals upon the President's approval.
- 5. Approvals will be printed in the newsletter with entry fees, added money, time and place of race. Members will be notified of changes or cancellations; however, it shall be the members responsibility to check changes in scheduled races due to weather.
- 6. IEBRA races will be allowed to co-approve with the WBRA. When co-approving with the WBRA, IEBRA members will abide by their rules.
- 7. The IEBRA will charge at all approved IEBRA races \$1.00 per run to include, time only's, (time only's excluded if club eye is not used). Fee will be held in general fund and used towards the purchase of yearend awards.
- 8. Barrel races shall be approved by the President. It shall be the policy to approve all races for the good of the club. However, if the President feels there are extenuating circumstances, she shall poll the officers regarding the approval.
- 9. It is mandatory at all approved races that the secretary handling the race submit an IEBRA race balance sheet (forms available), to the secretary no later than 5 days following the date of the race.

CLUB RACE DUTY SYSTEM

1. Any race approved as a "club" sponsored race, will handle the duties required to run that race on the duty system.
2. The duty system was established to increase participation of the members in the functions of the race, and to insure that all aspects pertaining to putting on the race are being handled by an assigned person so that the race is efficiently run.
3. Any competing member will be required to perform 10 duty points. If a member is unable to attend 10 races, then they will be required to perform 1 duty per race they attended. The duty can be performed at any of the club races throughout the year. The duty does not necessarily have to be performed at a race you are competing in. If a member does not complete their required number of duties by year end, they will be ineligible for year end awards. Junior and younger members are exempt from duties.
4. The club Secretary will be responsible for the duty sign up sheets for each race. As races are approved she will establish a sign up sheet and members can sign up for particular duties at any time. A duty sheet for a particular race should be filled at the close of entry time. The Secretary will let the person handling entries know prior to entry time what duties that still need to be filled on that race. The race secretary can then let members entering know what duties they can sign up for.
5. If you sign up for a particular duty, you are responsible for seeing that that duty is carried out for the entire 1/2 race! This does not necessarily mean you personally have to perform the duty, but you are responsible for that duty whether you have someone else perform it for you or not. Only excuses in extreme circumstances will be considered by the board for duties not performed.
6. Any outstanding fines will make you ineligible to run until fines are paid in full. You will need actual duties performed to fill your yearly requirement. Members not completing the required duties by year-end will be ineligible for year end awards.
7. A new first year member may compete 3 times before you are required to perform duties.

CLUB RACE DUTY SYSTEM

8. Duties can be performed at both club sponsored races and individually sponsored club races to meet your requirements.
9. Although this duty system is in place to help the efficiency of the races, the club encourages members to step forward and volunteer for duties beyond their requirements to insure the success of our races.
10. Duties will be of a standard nature, however due to certain arena or race conditions some races may have less or more duties. The duties will be split in half each race. (1st half to include Open, Open Jackpot, Junior, Youth, \$2000, and the 2nd half to includes \$1,000, \$500, \$250, \$100, and Time Only's). One duty point will be earned for working either 1/2 of the race. **REMEMBER!!!! To get credit for doing a duty you must have your name down on the duty roster in the office.** Standard duty list will include but not limited to:

Race Secretary: To include call-in, entries at race and payoffs. Complete race balance sheet to be sent to club Secretary.

Timer-Secretary: Handle the recording of times and announce times.

Back Up Timer: OPEN and novice if needed. (1st and 2nd half)

Electric Eye: Making sure the eyes are there, set up and taken down.

Marking Barrels: Also making sure barrels are there and setting them up.

Gate person: Opening and closing for the contestants (1st and/or 2nd half)

Rakers: At least 2 each barrel (does not apply when there is a tractor rake) 1st and 2nd half
Please note: Members are encouraged to sign up for different duties each race so that everyone learns the different jobs. We realize that some jobs are going to be easier or less work than others so it is important for everyone to vary their duties.
11. Elected Officers of IEBRA are exempt from the duty point system for their elected year.
12. Duty points accumulated by member cannot be "given" away to another member that has not performed their own duties.
13. Any member who secures donations or support money of \$100 shall receive a duty point for each \$100 up to 5 duty points or \$500.

POINT SYSTEM

1. Year end standings in all divisions, including youth and Junior, will be determined by points earned on nominated horse. Number of points will be determined by the number of places paid in each race. If for instance, a race pays 4 places, points will be awarded as follows, 1st- 5 points, 2nd- 4 points, 3rd- 3 points, 4th- 2 points. Points shall be consistent for each division's placing regardless of number of entries in a class starting with 5 points for 1st, 4 points for 2nd, and so on to be consistent with places paid. In the event that a class places more than 5, the points will slide to be consistent with the number of placings; If the class pays to 7, 1st place will be 7 points, 2nd would be 6 points, 3rd would be 5 points and so forth. Clarification; Points will be awarded to members based on the number of places paid. Points will roll down to members whether they place or not. If a member places in 2 different classes on the same horse, the member will receive their highest amount of points. Their other points in the other classes will be lost and those points will be rolled down to the next member.

2. Points are awarded on each go round. No points are given for an average.

3. Races must be listed in the newsletter 7 days prior to the race. It is the member's responsibility to check on possible changes in scheduled races due to weather conditions.

4. In the event a non-member places, the next member placing in order will receive points.

5. In case of a tie, both members will receive the same point value. The next place value will be skipped and the 3rd member would receive the next placing points. In other words, 1st & 2nd place members would both get 5 points, 3rd place member would get 3 points. In case of a tie for year end awards, placing will be determined on actual monies won.

6. Those registered in the Open division can only accumulate points in the Open classes. Open Jackpot shall only count for Open points if the WBRA OPEN is offered and does not fill or is not offered, excluding double headers. Those registered in Novice classes can accumulate points in any classes that they qualify for either Open or Novice. Actual points earned will count towards the division that they are registered in. Youth and Junior points can only be accumulated in those classes.

7. Members nominating or participating on a novice horse are responsible for keeping track of that horses lifetime earnings and for keeping track and reporting any non-approved IEBRA races to IEBRA Vice President within 7 days of earnings won, continually throughout the year. Novice nomination forms must be filled out completely or points earned will not count until such time as nomination information is **complete**. If a member is found to be competing out of class they will be assessed

POINT SYSTEM

a \$20 fine for each offence and points earned will be forfeited and winnings paid back to the club. The member will not be allowed to run again until the fine and winnings are given back to the club.

8. If a member runs the same novice horse in more than one novice class at the same race, they can only earn points in the lowest class they are eligible for, regardless of the number of classes entered.

DIVISIONS

1. Divisions recognized by the IEBRA are:

OPEN \$2,000 NOVICE \$500 NOVICE
YOUTH JUNIOR

2. Open: Open to any member. Money accumulates on rider only. If you are entering 2 horses in the Open Jackpot, you must designate when entering which horse you are riding for Open monies. If the horses are registered in the Novice, you will receive novice points on both.

3. Any horse entered that earnings cannot be verified will be eligible to run in either the Open or the Open Jackpot.

4. \$2000 Novice: This division is for horses with lifetime earnings of under \$2000 but more than \$500 at the time of registration. Monies accumulate on rider-horse combination. (For horses who have won futurity, derby, maturity or invitational money, please check WBRA rules for eligibility).

6. Junior Division: Open to boys or girls under the age of 12 years. Age is determined as of October 1 of the given year. Points won in the Junior Division count only for this division. You can accumulate points in this division by running in this division. Money won goes toward lifetime earnings.

7. The Division: Open to boys or girls between the ages of 13-18 years. Age is determined as of October 1 of the given year. Points won in the Youth Division count only for this division. You can accumulate points in this division by running in this division. Money won goes toward lifetime earnings. Youth and Juniors are responsible for keeping track of their Life Time Earnings.

8. A Buckaroo Class may be offered at a race. This class would be for any age rider, but MUST be accompanied in the arena by a person at least 18 years of age. No year-end points will be accumulated, but year end awards may be provided if funds are available. Cost not to exceed \$2.00.

GENERAL RULES

1. Upon entering any IEBRA barrel race, every contestant waives all claims against IEBRA Officers, race management, and grounds owner for any damage to property or injury sustained.

2. Girls are asked to dress neatly at all times. If dress code is enforced it must be listed in the newsletter under approvals. When dress code is in effect, members are expected to wear western hats, long sleeved, buttoned up, collared shirts, and western wear. If full dress code is required during a performance, it is required during slack. When dress code is not in affect, members must wear long pants, boots, and other appropriate apparel. Shorts, sweat pants, tennis shoes, swimming suits, etc. are not considered appropriate and are therefore not allowed. (Same as WBRA)

3. Rules and regulations of the IEBRA may be altered or changed at the annual year end meeting. Rules will be submitted to the board before rule deadline which will be published in the newsletter. The board will then review the changes at a board meeting. All rule changes will then go to a vote of the membership. If the rule presented for a membership is contradictory to the bi-laws it will be so noted to the membership.

4. Members shall not abuse or endanger their horses or any other horse or rider at an IEBRA approved race. If a written complaint is made to an officer, a board meeting will be called immediately. A decision regarding excessive training, abuse or endangerment of a horse and/or another rider shall be made by IEBRA officers at the race. A warning letter will be sent by the President for the first offense. If the offences continue, the member will be fined \$50.00 and may be excluded from competition. The fine must be paid before points will count.

5. All members must pre-enter, on designated call in nights, for all novice races, or there will be a \$5.00 charge per contestant if entering at the race. It is mandatory that all OPEN competitors enter at the designated call-in times. Non-IEBRA members are exempt from late fee. If a member pre-enters a Novice/Jackpot class, they MUST compete in that class unless it does not fill by the beginning of the race. A \$ 15 fine will be charged if class is changed. Additional classes can be added at a race without a fee. Entries left on answering machines before or after published entry dates and times will NOT be accepted.

6. If the board feels the need arises for changes to by-laws or rules, a special

GENERAL RULES Continued:

membership meeting can be called. A two-week written notice must be sent to all active members stating the agenda of the meeting.

7. Any protests or complaints regarding race results must be made within 48 hours to the President or Race Secretary or all race results are final.

8. An IEBRA member should at all times conduct herself in a manner so as not to cast a bad reflection upon herself or the association. If a member is reported for misconduct, one written call down will be given to her by the President with the approval of the Vice President and Secretary/Treasurer.

9. If she is reported again within the same year, a letter will be sent advising her that she is automatically suspended from the IEBRA. Before a call down may be written, the member in question must be notified by the President before the Executive Board can act.

10. In the event that a member has a complaint, criticism or suggestion, she is to contact an IEBRA officer. The board will be polled by the President and a decision determined by the majority poll and a vote of the board.

11. Any husband, father or relative of an IEBRA competitor, complaining to show management or Arena Director, on behalf of said IEBRA member makes said member liable to fine or suspension. Fine not to exceed \$25.

12. Member shall receive a copy of the written complaint filed against them and have the opportunity to respond in writing to this complaint, due within 10 days after notice by the executive board for any of the following offences;

*Quarreling in the arena or on the grounds

*Talking with ANY timers while barrel race is in progress

*Failure to abide by clothing/dress codes

* Working horses on the barrel markers

Executive Board will take both the written complaint and written responses into consideration before issuing the final vote and assessing the fine not to exceed \$25.00 payable to the Secretary/Treasurer, due within 10 days after notice by the Executive Board, who has final say for any of the above offences.

13. If a race has more than 1 (one) performance (I.E. Bull-O-Ramas), the contestants will be allowed to designate a preference during entry. Entries will be accepted using one of the following designations: No Preference, Show Preference, Slack Preference or Preference "or out".

The members of the association putting on the event will receive first priority when entering. Second priority will be given to co-approving association members, last priority will be given to non-members.

Once a show performance is filled, the positions of the contestants will be determined by a draw. All contestants are responsible for making call back and finding out when they are up. Trades will be permitted during callback (mainly for the purpose of getting to and from another already entered rodeo). After callback, no trades are allowed.

14. Contestants must be members in order to qualify for year-end awards. This applies to Junior, Youth, Novice and Open contestants.

FINALS

1. The club may host a finals which will be the last race of the season.

2. The top 10 in the Open, \$2000 and \$500 divisions, and the top 5 in the Junior and Youth divisions with points, will be eligible to run at finals. Points earned at finals are only added in to the division that they are won in. If a member in the top 10 cannot participate then the next eligible member in the standings will be allowed to run to maintain 10 participants. A member can not compete at the finals if they have not completed their required number of duty points or if they have outstanding fines.

3. Four places will be paid in each division. The Junior and Youth divisions will be paid according to the number of entries. Points in each division will count towards final club standings and will be 5,4,3,2 in each division. Money won at the finals, will not count toward club dollars won, in case of a tie breaker.

4. There will be an award to 1st place in each finals race.

5. There may be a new years club race to follow the finals races for all members.

6. Money won on novice horses will count for their Life Time earnings.

AWARDS

1. Awards will be presented at an annual presentation after year end.
2. Awards will be given to 4 places in the Open, \$2000 Novice, and \$500 Novice divisions. With the exception, one more award will be added for every 10 horses competing over the base of 20 as of June 30th of that year. In the Youth and Junior, divisions, if there has been enough participation, awards will be given to 2 places in each of the Youth and Junior divisions. One more award will be added for every 3 members competing over the base of 5 as of June 30th of that year. If there has not been enough participation in the Junior or Youth divisions to make it feasible to give awards, the divisions will be combined and will receive awards based on the sliding scale above.
3. Members receiving awards must be present at the annual awards meeting to receive their awards unless the President is notified of a valid excuse two weeks in advance of presentation. If an award winner does not show up to receive her awards at the year-end banquet, she will only receive the two standard club awards. (The division placing award and the club award to all participants.) No extra gifts from the club or donated items.
4. Members receiving awards are responsible for donating one \$15.00 award. If they choose not to purchase an award, they can give \$15.00 cash to the awards director who will use the money towards the awards. Failure to comply will make you ineligible to receive awards. Member must notify the awards chairman no later than the week before the banquet of their donation.
5. Awards will be purchased according to funds available at year end.
6. Special Awards may be given as follows:
