APRIL 2010

2010 OFFICERS:

PRESIDENTS LETTER

Hello Ladies,

Well yet another month closer to our 2010 season actually starting. We are now less than a month from our first race of the year. I hope everyone has been as fortunate as I have being able to ride and get those ponies in shape. As you can see from our race schedule, we have some new arenas in our association this year. I would like for us to show how much we appreciate all the people involved in getting these arenas set up for us. I would like to remind everyone to be courteous to all involved in the grounds preparation, and most of all that we clean up after our selves before leaving the grounds. I would like to show everyone that we do appreciate what they do for us, so that they would want us back in the years to come.

This year we have added the Clayton Fairgrounds, Melody Riders in Chewelah, and Ride to Succeed Arena in Deer Park. Lets show all the arena owners that we are an outstanding club filled with outgoing members, and leave a good impression on everyone around us. I am very excited about this season, and I am hoping that everything runs very smoothly this season.

See You All On The Trail,
Makayla Naccarato

17.00 with Hayle Carver

Hometown: Post Falls, ID

Age: 31

Family: Husband, Scott & 3 yr. old Son, Cale

Horse (s): 10yr old gelding, Chrome Wranglers aka Chrome & my husband's horse, 14yr old gelding, Codys Justin Case aka Jesse, plus a few others at home. :)

Of years IEBRA member: 4 years, I joined in 2006 but didn't ride because I found out I was pregnant in February.

First Job: Cleaning stalls at a local stable.

Talent I'd most like to have: To be able to draw.

Favorite race or arena: My favorite races are probably rodeos or bull a ramas, I love the feeling of running in front of a cheering crowd. Favorite arena, I would say that the Trac, in Pasco, WA, but I have only been there once. Closer to home, I like Rosalia.

Favorite TV shows: Survivor, Two and a half Men

Favorite Food: My Husband makes really good Chicken Enchiladas.

Favorite Quality in People/Horses:

(People)- Honesty, Friendly and positive.

(Horses)- Huge heart, honest and forgiving.

Least Favorite Quality in People/Horses:

(People)- two faced & like to stir up trouble.

(Horses)- Lazy, and ones I can't catch.

What items must you have in your gear bag/tack compartment: Rubber bands

What do you do when you're not running

barrels on the weekend: We go to playdays and omoksee's, pretty much every weekend we are riding horses.

What's been the biggest thrill you've had running barrels: Well I have had a couple.

My first one was when Chrome and I won the Open at the Newport Bull-a-rama in 2007. And my other one would be last year running at Cheney & Coeur d'Alene pro rodeos. I didn't clock real fast at either one, but I was extremely happy with my horse. It was very exciting to hear the cheers from the crowd.

Goals for 2010: I'm looking forward to making more consistent, solid faster runs. I want to be in contention with the open girls.

Pro Barrel racer you would most like to travel with: I would enjoy traveling with any of them. I think it would be pretty awesome to go down the road with Sherry Cervi, Tammy Fischer & Jackie Jatzlau, or Lindsey Sears.
