McKinlay and Peters
Equine Hospital

Fun Day

Benefiting the Drovers Junior Rodeo Association
July 24th at the Kootenai County Fairgrounds

*To better the equine enthusiasts of tomorrow we need
your support today*

The objective of this 'Fun Day' is to raise funds to benefit the Drovers Junior Rodeo Association. This 'Fun Day' will be open for all to attend and will offer lunch, a silent auction and various clinics and demonstrations. The cost is \$10.00 per person per clinic or trail ride. Each clinic will be offered at least twice throughout the day from 9am-4pm with check in at 8am.

The clinics will include:

- Roping
- Barrel Racing
- Pole Bending
- Goat Tying
- Mighty Broncy

All proceeds from the lunch, clinics, trail ride and silent auction will go directly to the Drovers Junior Rodeo Association. This is a great opportunity to give back to the community as well as supporting our area's youth.
