PRESIDENTS LETTER

Well I am sure glad this EHV-1 scare is starting to calm down. It was nice to be out racing again. I'm happy we all stayed put for a couple weeks to be sure it didn't spread. Thanks for understanding through all of this! Please remember as we are competing this year to still use some of these simple measures to help keep your horses healthy: Keep up to date on vaccines, Do not share buckets or hoses, tie to your own trailer, no nose to nose contact with other horses, and only haul with those that you know are healthy. We have incorporated a NO FEVER policy for our races. If your horse has a temp over 101.5 STAY HOME!

Some exciting news is that WBRA has decided to co-approve their Speedhorse weekend with IEBRA!!! This is going to be a great event, it will kick off Friday night with a BRN4D race then Saturday morning the Futurity will start followed by Open Poles, WBRA/IEBRA Open and Novice Youth/JR classes. Sat night will be the Never Won A Saddle race, it is a 2 run average with a saddle to the winner! There will be a Calcutta auction for the ladies in this race Sat night! This should be a lot of fun and the Moses Lake Indoor arena has excellent ground! See approvals for more info.

I would like to Thank everyone for your help and support at the races! The membership appears to be growing with some old and new members!

A Big Thank You to Rosalia Rodeo Association and Smiths Country Store in Rosalia for the added money at Rosalia Bulls and Barrels!

See ya down the road,
Heather Beierle
2011 IEBRA President

Deadline for submitting to the newsletter will be the 15th of every month.
E-mail me pictures of you running barrels for the website.

I'm a Barrel Racer, Lord.
A quick time is what I need.
Just to turn these three barrels
With a descent amount of speed.
I've hauled a lot of miles
To run this horse of mine.
To make each barrel race
And then the next one down the line.
If it's a spill that I take
Please, Lord keep the dirt soft
For another run I'll make
Just as soon as I dust off.
My chin I'll keep it up,
And my tears, I'll try to hide,
Then I'll climb back in my saddle
Ever anxious for my next ride.
To win or lose with grace.
For some other girl will want to win
This very same barrel race.
So let us ride as one, Lord,
My barrel horse and me.
For hard work and perseverance,
I believe this is the key.
We've trained and we've worked hard
And if I win, You know of course,
To you I'll give the glory,
To you and to my horse.

Race Name: Annual WBRA Futurity and Speedhorse ShootOut
