PRESIDENTS LETTER

Hey there Ladies,

Well our 2010 Race season has not gotten off to the best start, with mother nature not cooperating and all. I'm sure that most of you heard that our Memorial Day weekend was rained out in both Deer Park, and Davenport. With this in mind, on weekends where there is a possibility of rain, we need phone numbers when pre entering, so that if this issue arises again, we have a way to contact all of you and save you the long drive. For those of you who came to Davenport you would understand why it was cancelled. I am hoping for all this rain to stop and that we can have a nice dry weekend for the Rosalia Bulls, Broncs, & Barrels event. It was brought to my attention that because of all this rain it will go from like 60 degrees to 95 in a matter of no time at all. So keep in mind that we might be suffering later.

I am going to be talking to the board, and trying to reschedule the Memorial Day weekend Races and maybe even run it like we would have this weekend. I hope that no one is having serious horse issues or vehicle problems this early in the season, and all of you have been able to run at other venues to get those ponies into shape.

Well ladies the Rosalia weekend is upon us now, and I hope that everyone that wanted to enter was able to and I hope that we see you all this weekend. Everyone travel safely and we will see you all soon.

Makayla Naccarato
2010 IEBRA President
